Attention [REDACTED]

Gentlemen:

Reference is made to our recent telecon concerning the requirement for tech rep services at Base B under Contract No. BA-1832 after expiration of [REDACTED] tour of duty in January 1960.

It is requested that the services of a qualified tech rep of your Company be continued at Base B after the expiration of [REDACTED] tour of duty. It is estimated at this time that tech rep services at Base B will be required at least to 30 January 1961. Should it be necessary to send an inexperienced tech rep as [REDACTED] replacement his services at Base B should overlap [REDACTED] by three weeks as a part of his training.

The trip by a representative of your Company to Base C mentioned in your letter of 28 May 1959 for the purpose of inspecting your equipment will not be necessary since the equipment is in satisfactory condition.

Very truly yours,

DPD-DD/P [REDACTED]
